

America's Largest Motor Club Organization.*

Affiliating with AAA helps build prestige, income and traffic for your business. When you display the AAA logo decal on your roadside assistance or tow vehicle, you let over 60 million AAA Members, as well as everyone else, know immediately that your service meets and maintains the high professional standards set by AAA. After all, AAA has been serving its members for over 119 years and has come to represent quality and integrity – in other words, it's a name people trust!

Currently, The Auto Club Group (ACG), the second largest AAA club in North America, provides membership, travel, insurance and financial services offerings through our AAA, Meemic and Fremont brands to approximately 13 million members and customers spread throughout 14 states and 1 U.S. territory. Here are some more important facts that you should know about us.

- One out of every four households has at least one AAA Member.†
- AAA is the most highly recommended roadside assistance organization in the U.S.*

- AAA helps a Member every 15 seconds.**
- ACG responds to approximately 5.5 million roadside assistance calls annually that are serviced by five regional RSA Contact Centers, over 1,500 independent service providers and 24 club-owned fleets.
- ACG offers a robust network of over 950 Approved Auto Repair and AAA-branded Car Care Plus® facilities across the footprint.
